20 Day Antarctic / South Georgia / Falklands Photography Expedition

On this 20-day photographic adventure we will explore the wildlife paradises of South Georgia and the Falkland Islands, before visiting the amazing Antarctic Peninsula, whilst onboard Quark Expedition's ship. Each day, there will be two designated outings, either cruising with our cameras in a zodiac, or being dropped off on land. This photo tour will revisit some of the highlights of the Peninsula, but the wildlife and scenery of South Georgia puts this adventure in a class of its own, and we'll be visiting the island in one of the peak times for wildlife activity. With expert photography tuition, you will be ensured of getting lots of fabulous shots!

"Being in zodiacs with my Photo Expedition participants and having Humpbacked whales going UNDER and around our zodiacs, madly clicking away with our cameras!"

13 Day Arctic Wildlife Photography Expedition

On this exciting 13-day Photo Adventure, we will travel through the Arctic around the archipelago of Svalbard. We will travel by ship and explore the coast, going where the wildlife and stunning scenery are. Michael led a booked-out Photo Expedition to Svalbard in 2016, to absolute rave reviews. For the photo tour participants it was the ultimate trip, with lots of 'once-in-a-lifetime' photos taken during the expedition.

THIS TRIP IS DESIGNED SPECIFICALLY FOR PHOTOGRAPHERS, GOING WHERE THE WILDLIFE IS, ESPECIALLY POLAR BEARS! WHEN WE FIND BEARS AND OTHER WILDLIFE WE WILL BE STAYING AS LONG AS POSSIBLE, ALLOWING YOU TO TAKE LOTS OF PHOTOS!

HIGHLIGHTS:

- 13 days exploring Svalbard on Quark Expedition's purpose-built ship, the 'Ocean Endeavour'
- Amazing glacial landscapes and ice formations
- Loads of unique wildlife, including Polar Bears, Walruses, Moose, Arctic Foxes, various seals, Puffins, various other bird species and lots more
- All meals included, as per itinerary
- Professional photography tuition with Michael Snedic
- Experienced Expedition Guides

MICHAEL SNEDIC'S HIGHLIGHT:

"Being in zodiacs with my Photo Expedition participants watching a Polar Bear eat a seal, then witnessing a second Polar Bear leaping in and out of the water from small icebergs, heading for the one feeding"

17 Day India Wildlife and Culture Photo Safari

Experience Central India with its unique mix of ancient culture and its breathtaking wilderness. Indian art, culture and spirituality all developed amidst a rich, natural beauty. We will see vivid Indian art dating back to prehistory, visit sacred Buddhist and Hindu sites, and begin to comprehend the origins of modern India. We explore the variety and biodiversity of the National Parks of Madhya Pradesh while taking Wildlife Safaris to India's most beautiful National Parks. We will visit highland habitats, teak forests, bamboo and grassland areas as well as riverland areas. We will go on safari to seek out the big cats - tigers and leopards - as well as monkeys, crocodiles and a huge number of bird species.

HIGHLIGHTS:

- **Luxury accommodation for 16 nights on double occupancy basis**
- **Madhya Pradesh, Satpura National Park, Pench Tiger Reserve, Bandhavgarh National Park and more**
- **Wildlife photography encounters include: tigers, leopards, sloth bears, wild boars, rhesus monkeys, langurs, hyenas, wild dogs, pangolins, marsh crocodiles, and many species of bird**
- **Air-con Tempo traveller (13 seater)**
- **Daily Safaris as per program**
- **Professional Photography Tuition from Michael Snedic**
- **Services of a local English-speaking guide in Phopal for 3.5 days**

MICHAEL SNEDIC'S HIGHLIGHT:

"Looking forward to being in a safari vehicle with my Photo Safari participants, observing and photographing tigers at close range"

INTERNATIONAL PHOTO TOURS AND EXPEDITIONS:

11 Day Kenyan Wildlife Migration Photography Safari

From beginning to end, we've shaped a Kenya photographic safari that is truly legendary, concentrating on Kenya's famous wildlife migration. You will be accompanied by Michael Snedic and together explore three of Kenya's finest wilderness areas. It's a clever combination of impressive wildlife country mixed with serious safari activities and cultural interactions. Stand out service is guaranteed along with exclusivity as you travel in private aircraft from place to place.

Coming together as a group in Nairobi you'll enjoy a tour briefing with Michael over dinner. Next day you're off on the adventure, forging a journey filled with safari surprise and some of the best opportunities to see resident predators like lions and cheetahs in action, along with Kenya's colourful cultures of Samburu and Maasai. Visit three iconic properties in Samburu National Park, the Masai Mara National Park and a private concession called Mara North Conservancy for the ultimate safari finale.

HIGHLIGHTS:

- **A tailor-made photographic safari with emphasis on one of the greatest wildlife spectacles on earth - the migration!**
- **Immersive experience with decent duration in three unique locations: Samburu National Park, the Masai Mara National Park and private concession Mara North Conservancy**
- **Professional photography tuition with Michael Snedic**
- **Exclusive Safari-style accommodation**
- **Transfers by private aircraft for ultimate exclusivity**

MICHAEL SNEDIC'S HIGHLIGHT:

"Having a herd of elephants walk casually by our safari vehicle, adults surrounding their babies, without a care in the world, while seeing my Photo Safari participants absolutely ecstatic, cameras clicking away"
